### Overnight Opportunities

<u>Days served</u>	<u>Guest</u>	<u>Fees/ Rates</u>

4 Day / 3 Night	Students	\$134.00
	Cabin Leaders	\$ 67.00
3 Day / 2 Night	Students	\$105.00
	Cabin Leaders	\$ 55.00

**It is expected and required that schools provide at least one cabin leader for each cabin of students.**

For example: In a cabin with 10 beds the ratio would be 1 leader for 9 students or with 12 beds 1 leader for 11 students 2 leaders for 10 students... The number of beds available in each cabin is a fixed number set by state law and local regulation. The fee rate of nearly 50% of the student cost is charged for each cabin leader to help offset the expenses of meals and services provided.

**Administrative and Teaching Staff stay at no expense charged to the Schools (\$0.00).**

We need School Staff to be available in assisting Heartland O.E. Staff with any discipline or home sick issues that students may experience during their stay. There is no expectation for School Staff to be responsible for any aspect of our programming. We desire for School Staff to experience the environmental science adventure with their students at camp. School Staff numbers and ratios will determined by a mutual agreement for the benefit of our student guests.
